

CERTIFICATE OF ASSESSMENT - EC

DET NORSKE VERITAS

Application of Council Directive 89/686/EEC of 21 December 1989, as amended, issued as "Forskrift for konstruksjon, utforming og produksjon av personlig verneutstyr" by the Norwegian Directorate of Labour Inspection

Certificate N°.: 2006-OSL-PPE-0044

This is to certify that the Quality System for the product group:

Protective Clothing against X-rays

Manufactured by

Kiran Medical Systems

Kiran Chambers, 303-A, Linking Road, Khar, Mumbai 400 052, India

complies with the applicable requirements of the Directive.

The quality system for these products has been assessed according to the procedure of conformity assessment described in **Article 11 B**. This Certificate is based on that the products have been EC Type Examined by other **Notified Bodies according to Article 10**.

Identification of the products covered by this certificate is given in the Appendix.

Limitations:

The manufacturer must inform Det Norske Veritas Certification AS of any plan for substantial changes to the quality system in order to examine whether this Certificate remains valid. Annual Periodical Audits will be held to verify the validity of this Certificate.
